- EducatAble is a safe space to ask questions and learn information from people who live their different abilities everyday.
- Skills used: JavaScript, TypeScript, Mongoose, bcrypt, MERN Stack, Material-UI
- Role: **Front-end** utilizing React, JSX, and Material-UI + **Back-end** with authentication

EXPERIENCE

Client Support Specialist   2015 - 2020
Communication Service for the Deaf   Austin, Texas
- Elevated community awareness and impact by 15% in training deaf individuals on how to obtain/maintain a job, including self-advocacy.
- Increased employee retention by innovating effective hiring and retention practices for employers, such as providing ASL classes and cultural-sensitivity training.
- Completed on average 50 outbound calls weekly from clients, employers, and the general public, using JIRA, as the primary tracking tool.
- Increased consumer reach and impact by 20% by completing projects in Confluence to optimally promote CSD as the premier service provider in our market niche.
